

making energy work for everyone

invitation

To a Public Meeting from
Exeter Community Energy

Tuesday Feb 4th 2014

from 18.45 to 20.45

The Meeting Room at Stephens Scown
Curzon House, Southernhay, Exeter.

Refreshments will be available
from 18.45.

An
opportunity to
come and meet us.

Find out about ECoE and
our First Solar PV project

And participate in
our planning

Exeter Community Energy is a new innovative social enterprise that enables local people to take ownership of renewable energy projects in Exeter. It is run as a community-owned co-operative with the community's interests at heart, so the people, the city and the environment all benefit.

For more information please contact:

Gill Wyatt (07806 623 311) or Joe Smee (07890 591 890) or info@ecoe.org.uk

The evening
will be informative,
with opportunities to
talk about your interest, find
answers to questions you
may have and take part
in shaping our first
project.
