"I'm excited that ECoE are ready to launch their first portfolio of rooftop solar and fully support their community share offer. I'll be investing and I hope the people of Exeter can get behind this excellent initiative." **Ben Bradshaw MP**

Investors

- Expected 5% share interest
- Only £50 minimum investment
- 30% of investment returned as income tax relief with the Enterprise Investment Scheme (EIS) if investing before November 27th
- All investors become members, each member has one vote

Projects

- Share Offer will support 300kWp of rooftop solar at:
 - Exeter Central Library
 - Wonford Community & Learning Centre
 - Newcourt Community Centre
 - Shillingford Organics
 - Ashwoods Automotive
 - Pinhoe Rd Baptist Church
 - Glasshouse Lane Medical Centre
 - The Beehive (Honiton)
 - Great Moor House

Community

- Building community:** Local people working together to manage community owned renewable energy projects
- Local community becomes an energy producer** changing the way we think, use and produce energy
- The community fund from ECoE's solar PV 1 will provide finance for further energy projects and address fuel poverty
- Financial benefits stay local strengthening the local economy
- Wide-ranging educational opportunities

Environmental

- Providing low-carbon local, practical solutions
- Producing green energy
- Reducing carbon emissions
- Playing a part to mitigate climate instability

Invest in ecoe's first community share offer and be part of an Exeter that is generating its own future!
