

exeter community energy

Annual General Meeting

Tuesday 7th June 2016 at 18.45 to 20.45

Meeting Room, Stephens Scown Solicitors, Curzon House, Exeter, EX1 1RS

All of our members, volunteers and supporters are warmly invited to this, ECOE's second AGM.

As well as the usual AGM business (annual report, accounts, election of directors), we'll be making the AGM as participative as possible. We want your input to help shape ECOE's policies and practices, so will be asking for your views about:

- Progress during the last year including Solar PV 1
- Future priorities, projects and overall strategy
- The role of members and community-ownership
- Exploring the decision-making process for how the community fund will be spent.

Refreshments will be available
