Can you afford to heat your home?
Do you understand your energy bills?
Is your health made worse by cold and damp?
Is your home warm and cosy?

Exeter Community Energy is offering free impartial energy advice in Exeter, Mid Devon, Teignbridge, Torbay and East Devon.

We can help with:

- Energy saving tips
- Installing free energy saving measures
- Changing supplier or tariff and applying for discounts
- Referral for help with benefits and debt
- Grants for insulation and heating
- Signing up with the priority services register

You're eligible for a free LEAP home visit if you have any ONE of: a low income, receive tax credits, housing benefits, income or disability related benefits, or have a long term illness or disability.

Bring your recent energy bill with you to see how much money you could save
